### SHERMAN SEVERSON DEAD

The body of Sherman Severson, son of Mr. and Mrs. Henry Severson, arrived from Albuquerque, New Mexico, the last of the week, where he expired about five days before. The cause of his death was tuberculosis, the climate of that state failing to have the desired effect in reinstating him to health.

The funeral was held at the home at 2 o'clock Sunday and at the Evangelical church at 3 p. m., Rev. Egge of the Norwegian Lutheran church officiating. Interment was made at Groton union cemetery in charge of H. Paetz-nick.

Sherman had many friends in this community who sincerely mourn his loss. He was an aggressive young man, who was admired for his many manly qualities. The Independent joins with a host of friends in extending sympathy to the bereaved family.
